Best bike you can buy! This bike is very fast and has a brand new engine. Thats why I say it is a 2014 model cause of its brand new engine that was replaced in 2014. Reason for selling: Want to buy a scooter for school. Contact me for lower price. Bike has done 12hours with new engine. Nevet raced never fell. Have a lot of respect for the bike. Tires still great. Bike has no scratches. Bike has bearily been ridden because bike is in witbank and I live in pretoria. Bike has cool sticker kit and has a fmf fatty racing performance pipe. Engine was redone in 2014. Since then no problems. For more details please sms me or whatsapp. Email is fine but I prefer
