Miele Dishwasher ComboStar (950 R)

Location **Gauteng, Pretoria** https://www.freeadsz.co.za/x-64914-z

Second hand dishwasher. Worked 100%, but when I installed it at my new place it tripped the electricity - I suspect that it was due to the water inlet being upside down - according to the manual it shouldn't be and that could have caused it..

Very good machine - Miele

Got pics of other similar old Miele dishwasher off the net. I can send some of mine though if you'd..
