We specialise in repairing all types of domestic appliances, that's what we do best! Fridges, Freezers, Stoves, Ovens, air conditioners. We offer our clients quality guaranteed work and fast reliable service at affordable prices. We have appliance comprehensive parts on site to accommodate our daily tasks as professional appliance repair experts. Our technicians are highly qualified to assist you with all types of appliance repair problems that you may have. We assist clients in most parts of Pretoria, Centurion, Midrand and for your convenience all work is done at your premises. Although we come to your premises, we still treat your home like we treat our customers, with respect! Our technicians will call you 30 min before arrival time to assure that you don't have to wait. Working at your premises means that your appliance does not get damaged when transporting it from one location to another; nobody likes it when your appliance comes back from repairs with a scratch or a dent on the side. Working at your premises minimizes the chance of damaging your appliance. Professional technicians are only a phone call away.
