This vehicle is in mint condition . I have spent in excess of R30000 on the motor alone on new parts such as: water pump, oil pump, fuel pump, sump, timing chain set and cover, new Holley 600, new Edelbrock RPM inlet manifold, new ALU valve covers, new KNN ALU air filter set up etc etc... It has new tyres fitted to a set of Compomotive Hallibrands. I would like to swap for a 32 Ford coupe in similar condition or sell for.
