Real Bargain !

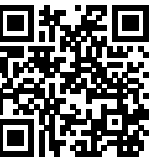

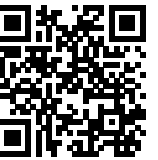

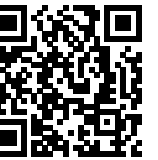

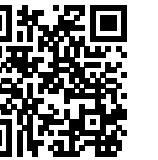

Running Lotus 7 with Ford 1600 Kent Crossflow Engine  
 Twin Weber 40 DCOE side-draught carbs  
 Ford gearbox.

Car has not been registered and I don't have the time to go through the process hence the good price.

Minor work still required:

- replace the steel bonnet with an aluminium bonnet ideally.
- fit seats as it currently only has cushions
- little bit of wiring for rear lights

Would make an excellent track toy if you don't want to register.
