Valiant Charger 1974 sports coupe for sale. This is a rare charger with two horizontal taillights per side (plymouth duster type) and not the common six upright tail lights per side (dodge demon) This car has the big bolt pattern wheel pcd of 114.3 giving you a wide range of mag wheel options, not limited by the small bolt pattern on earlier Chargers. Original slant six engine, original automatic gearbox, original button floor shifter with center console and power steering. All glass and trims are on the car, nothing missing on the car. The body has some surface rust and the original bronze gold paint is fading but still very restorable. It's about to go in for restoration but can be sold as is for ZAR150-000 not negotiable or ZAR250-000 not negotiable, after the restoration. We are busy with registration documents and police clearance so viewings can be arranged after Monday 23rd November in Jet Park, Boksburg, South Africa. +27722295845 NOT AN URGENT SALE - THE PRICES ARE.
