Ok , What is Alt TV smart box ? , well to put it simply it's a computer that connects to your T.V and internet and allows you to watch internet links from all over the world. Movies , series, news , kids programs , sport , music and lots more well actually 1000s of different channels. **NO MONTHLY FEES**

ALT TV does not control what links and programs are on the internet it just gives you a simple path to get to them. This is not a pay per month product as the links are out there and we can't stop what is on them but you can decide what you want to watch.

You need a internet speed of no less than 4mbps(if you use a 2mbps line it will buffer quite often but then it's up to you)

You can stream and watch what you want to watch and when you want to watch it .

You can take your Alt TV smart box with you on holiday or to friends and its simple and small.

You pay a once of fee of R2500 and that it no monthly fees and the box is yours. Once you purchased your AltTv box you can sell to your friends and family and then you will make R500 per box sold so you can cover the cost of your own box with selling to family and friends if you want.

Since there are so many channels when you find one that you like you can make it a favorite and then

next time it will be waiting for you so you get to make up your own favorite menu of channels and add and

delete when you want. This is the best way to watch TV. You can also connect through it to YouTube, Google, and YouTube .. we can do anything you have an online.

This small box will turn your TV into a smart TV with a computer and it will open up a world of channels with no monthly.
