* Offer Expires End April 2016 * - We post country wide, any orders welcome?
 Limited stocks - Limited Period - Limited Offer

Anaglyph Deluxe III, now ONLY R 150 for a pair

Gaming Anaglyph Glasses
 ~ Used for the Nvidia Anaglyph (Red/Cyan) setting available on all their new graphics cards. These spex quality & clarity is better than the original "Vision Discover" spex sold by Nvidia themselves! I am fussy & can verify this by my own experiences with 3D viewing. They are now also lighter & cheaper than our previous?
