Legendary American actor James Dean (1931 - 1955) is a cultural icon of teenage disillusionment and social estrangement. Dean had a short and dramatic career before his untimely death in a car crash. He only starred in three movies, apart from a few walk-on parts - East of Eden, Rebel Without a Cause and Giant. George Stevens' epic saga Giant, which was posthumously released in 1956, saw James Dean play surly Texan ranch hand Jett Rink. The film also stars Elizabeth Taylor and Rock Hudson. Dean became the first actor to receive a posthumous Academy Award nomination for Best Actor, and remains the only actor to have had two posthumous acting nominations. Now you can own this original movie theatre poster in mint condition. 107cm H x 77cm W; One Sheet; Tri-Fold (no vertical fold); collectable; very rare South African movie memorabilia. #Giant #JamesDean #MoviePoster
