Brand new 1TB console. Sony PS4 1TB specs

As you might expect the big change here is the hard drive inside the new console with 1TB compared to 500GB allowing more space for whatever you want to store. The other hardware remains the same and Sony hasn't mentioned anything about being able to add external storage like the Xbox One.

The new Xbox One 1TB comes with an upgraded controller but Sony hasn't mentioned anything on this front.

Sony has also updated its PlayStation app for iOS and Android with a couple of new features. You can now enter PSN gift cards and promotional codes, so you no longer have to use your PS4 to redeem them. The second is the ability to display comments on your phone or tablet while you're broadcasting from the
