150.00 per day). Our Gypsy 5 has 2 double beds, gas stove and bar fridge, cutlery, crockery, glasses, pots and is clean, neat and set up for your arrival. (Please supply your own linen and towels.)

Depart at your leisure and leave the hassle of packing up and towing to us! The caravan park itself is very clean and orderly (park rules apply), ablutions blocks with loo's and showers (are adequate) and are a few meters away (although one caravan has its own, small toilet and basin on board). Also at the park are shady seating areas and free-standing braais as well as fishing and boating, of course. An extra R 100.00 is required for the gas bottle to cook and cool the fridge. The lights in the caravan have a rechargeable 12 v battery (which we will have charged up for your visit). These are just for the interior lights and should last your entire stay.

We would also require a refundable deposit of R 600.00 for the keys, caravan gate entry card, possible breakages and to cover any possible extra gas bottles (R 100.00) or recharge of.
