Brand new condition. Warranty unit from Toyota. Model no. 8614 - OK120 - G. Factory fitted to 2010 - 2014 Toyota Fortuner/Hilux 2.5, 3.0 D4D, 2.7 VVTi & 4.0 V6 but can also be fitted to older & other models with minor modification. This unit is bigger than the radios on earlier models i.e. 2005 - 2010 so you will need the cover as shown on one of the pictures below.

Full touch screen, Bluetooth (built-in) to connect to the cellphone for hands-free conversation, can also connect reverse camera. Digital music changer and/or USB cable (which is obtainable from Toyota dealership) can also be connected at the back of the unit. Selling below cost. Toyota dealer prize R9 799.

NB. No cable connectors/harness and I do not sell reverse camera but can refer you. Plays CD not DVD. GPS never worked on all these units. Asking price not negotiable. I do not respond to SMSes
