I am selling a 2008 Yamaha super jet, stand up jet ski. This is the new shape hull, there is no difference between this ski and a brand new 2016 ski apart from pain, the engine and hull is still the same. The ski has about 30 hours on it so you pretty much getting a new ski for half the price. i do have a brand new break neck galvanized trailer i am willing to sell. Take the ski on the trailer for R 68 000 or just the ski for 65 000. Water test can be arranged for serious.
