I would like to sell my gorgeous matric farewell dress. It would suit someone with a short build, although - if the petticoat is not worn, the length extends greatly. The size is between a normal 14/16. It has a Victorian-era Gothic theme, crafted from the highest quality materials. The dress, although not visible from the pictures, has a 1/2 meter train. The dress also comes with a huge, frilled, black petticoat. If you would desire it, the matching waistcoat - size medium/large (visible in the picture) may also be included at an additional R500. All of the above items were hand-crafted by a brilliant.
