Situated on the eastern side of Jules street is a large industrial facility that was once home to some of Joburgs top heavy industrial companies. The site has been earmarked for a redevelopment with various retail stores, artist studios and light manufacturing spaces. This is a great opportunity for start up businesses and smaller entrepreneurs to secure spaces at affordable prices.

In addition to the above there are various larger factory spaces available from 500 sq.m â€“ 3,000 sq
