Beanie Hat with Built-in Headphones (Retro Rasta) - ELPT-G402

Don't worry about the cold and be happy with this retro rasta design Beanie Hat with built-in headphones. Warm and stylish, this Beanie Hat will keep your head warm and music jammin'.

Ain't no sunshine outside and it's freezing cold, but that doesn't mean you have to stop listening to your favorite tunes. Nope, stay stylish and keep your music going during those cold nights and days with this Beanie Hat. Made of 100% cotton, this Beanie Hat is a comfortable and snug fit over your head and includes two high quality stereo headphones integrated in the inner layer, allowing you to enjoy music without letting that cold wind get in! These Beanie Headphones are great for outdoor type activities where earbuds and headphones just won't do; Appreciate the delicious harmony of music notes while commuting, jogging, skiing, or while travelling from Africa to America.

With a 3.5mm output, this friendly Beanie Hat's headphones can be easily and quickly connected to most any audio device, like your MP3 and MP4 players, cell phone, iPhone, iPad and so on. Throw away these old earphones with coarse buds making your ears uncomfortable after a while and pitch on this beanie hat for maximum convenience and ease!
