These nail appliques are truly one of a kind and so simple to apply to your nails!!
 Specially imported, they are new to the South African market - Don't miss this opportunity of being one of the 1st to wow the crowds!!

Basically, you would apply a layer of nail polish, you then add the applique (which sticks to the nail polish), you shape and then add a layer of nail polish over that. DONE!!

Did I mention that for a set of these appliques, costs only R30!!

We have also just launched our exciting new Christmas appliques!!

Should you be interested, you can view the templates and designs we have available on the link below :
