I want to sell my Motomia Tera-Strada motorbike. The bike is in an Immaculate condition and I've just fitted a brand new battery on the 03/04/2016. It was never in an accident and it only has 8000km on the clock. It was used as a commuter. The bike is really well looked after. Nice bike for someone to commute from work/school to home. I need to sell it only because I don't use it anymore and I've bought a bigger bike. PRICE IS NEGOTIABLE
