Am upgrading so selling my 2008 Honda F-RV 103 000km automatic in perfect condition not a cent to be spent. It has blue tooth connectivity removable tow bar and the only problem it's had was aircon which was replaced at a cost of R10 000 in January this year. It's been company maintained at Honda and service up to date. Tires are good steering balance and alignment spot on. Auto box as smooth as butter. Silver blue metallic with blue cloth seats. Who wants leather in this climate! Priced right for a quick sale. Please no other advertisers to contact me only potential.
