I'm selling my Sony Xperia Z3 smart phone, the phone is like brand new condition, doesn't have a single scratch or dent on its body.

It is in the limited edition rose gold color which is rare to find.

There's tempered glass screen protector perfectly fitted, I will also provide two additional cover for the phone (one soft gel case and a see through hard case)

It has got the original package with all accessories which were never used as you can see from the photos.

The retail price of this handset on Cancell and Vodacom is still over R8500, and I'm selling it for R3999.
