Deluxe Wooden Standing Art Easel

This sturdy, double-sided, adjustable easel is ideal for fine-motor fun! A dry-erase board on one side and a chalkboard on the other are both great for handwriting practice, while the child-friendly clips are perfect for holding art paper. Writing on a vertical surface helps with proper wrist position, promoting a more functional grasp for kids who are learning writing skills or just need a little extra practice. Perfect for budding artists, too!

Contains small parts. Adult assembly required.

Dimensions: 47" x 27" x 26"
