

BMW R505 1973 (60000 R)

Location **Gauteng, Vereeniging**
<https://www.freeadsz.co.za/x-87610-z>

Bike has R60/5 pistons in. Sleeves was worn to much so had to machine sleeves and use 600 pistons.
 On the road and licensing up to date.
 Has its normal wear and tear for a motorcycle that is 43 years old.
 The only known problem to me is the front shocks that needs new seals.
 Mechanically the motorcycle is in very good condition.
PLEASE NO TIME WASTERS!!!
PRICE NOT NEGOTIABLE.
 If you can find a better bike for a better price, buy it, I'm in no hurry to.
