I am selling my bakkie; it is my personal bakkie and has been with me for many years. The first to see this will buy it, I am not going to tell lies and mention things not true here, what I say the buyer can hold me to it.

I have been the proud owner of this awesome truck for many years and it is in 100% perfect mechanical condition, the engine uses ZERO oil, uses no water and break fluids or power steering fluids, all is 100%. Has zero diff and gearbox issues. The body has ZERO rust and ZERO accident damage; it has a full service history and sleeps in a garage every night. The truck is inside in 100% condition and has no damage. It gets used 15 times a month and does about 3000 kilos a year. Has no rain leaks and no dents at all.

Everything works 100% and it has a rear canvas cover with railings. It is used 90% on road and 10% on farms. The canvas has a zip to open the canvas roof as we used it for filming.

This is a 100% GENUINE very well looked after truck; you need to do nothing to this truck in the line of repairs.
