

## 7x White Melamine Kitchen Carcass with 2 shelves per unit (1400 R)

I have 7 off of these standard white melamine carcass' (1100h X 900w X 300d) to go as one lot @ R1400 for the entire caboodle. That's R200 per unit! (Ohmygodican'tbelieveit!). They are standard kitchen 'wall units'. (You could fix them side-by-side to the garage wall as open storage or fit your own doors as a DIY project). Each unit comes with 2x adjustable shelves (I just forgot to fix them in place for the photograph). Although presentable, they do have a few marks from previous fixing (to my own garage wall) - so they are clearly not in pristine condition - but a touch up with white paint will sort them out. You are welcome to inspect before.
