We make it a priority to listen to customers' concerns and incorporate them into our designs. We camp in our own campers with our families which help us design the campers with features that make the most sense. North Star is proud of the fact that our campers are built differently from the competition. Time tested, sound construction techniques and quality materials have given North Star its reputation. Over the past five decades, one of North Star's™ best "success indicators" used in measuring performance has been our rugged design. It has contributed to adding years of enjoyable use of our campers.
