Selling a Yamaha R15

The bike is a very reliable 150cc fuel injected four-stroke. It starts up first time every time. It's very powerful for its engine size and extremely fuel efficient.

The Bike is in good condition, just been serviced at 24000km mark by Yamaha Randburg and I replaced the back tyre about 3 months ago. The bike was dropped by the previous owner so it has minor scratches down the left side, I have taken pictures of the scratches that are attached.

License and paperwork is all up to date.
 Odometer is at 26500 km

R16 500.
