Rietfontein is situated on the Southern slope of the Magalies Mountain. Very central with access to the N1 highway, Steve Biko Road, Frates Road and new East-West N4 highway, has lots of schools.

Just as the name indicates, the Moot is indeed a valley between two ridges, bordered by the Magalies in the North and the Meintjieskop range to the South. Misty mornings are quite a common sight here. October brings the blossom out in Rietfontein, with the Jacaranda trees blooming and creating picture perfect scenes. Whether in spring or any other season, Frates Road remains one of the most beautiful roads to drive along. The island in the middle is always well kept with the most beautiful roses in.
