Before you even enter the house you are taken aback by the sheer beauty of the garden. As you walk through the yard you look to your right and see double garage that houses the cars, you walk through the walkway and enter the warm family home. The home has a dining room, a lounge and a family room. You are gobsmacked and cannot believe what youâ€™re seeing, then you venture on into the bedroomsâ€™ and they too steal your breath. Itâ€™s beauty up on beauty, in each of the three rooms. The last one having its own en-suite bathroom. There is also a flat-let at the back of the garage, ideal for a live-in nanny or young teenage boy seeking his freedom. Call and we can set up an appointment to view the place.
