Immaculate Honda CBR600rr. Last year before Honda Facelifted the bike.

This is the limited edition colour scheme

It has a full service history with Honda, spare keys and manual.

I have replaced the both tyres with Bridgestone S02 (2000km).

I have also done the chain and sprockets (X-ring) (1000km)

Brakes front and rear have been done (500km)

Bikes has Akrapovic Slip (Exhaust after Cat)

Rear Seat Cowl

High Rise Screen

Bike is always indoors (Garage or my Sun Room inside the house)

Nothing to do, but start and ride. Papers are all in order.

Selling as I am buying another bike.

No swaps please, no joy rides.

Would prefer bike to go to an owner with the same meticulous care I have taken of.
