4age 16v turbo motor (25500 R)

Location Gauteng, Midrand https://www.freeadsz.co.za/x-97956-z

I'm reposting this engine due to a lot of time wasters. I have gone as far as to come down with my price to R25500.00 shooting my foot off but what can I do. please phone or Whatsapp me for more info on the engine. It's not just a 4agze prepped for turbo. This motor has all the right stuff in it for a propper turbo.
