ABS, Aircon, Electric Windows, Leather seats, Radio, Towbar , R 109 900.00 This 2013 GWM Steed 5 2.2 MPI is in PRISTINE condition inside and out. With 94900km on the clock. Growing in popularity, these double cabs are practical, spacious, and comfortable. Powered by a 78kW 4 cyl engine, delivering power on demand. This is where the Steed 5's appeal lies in the fact that it's not shy of hard work. In my opinion this is where the main market for these bakkies lies. Companies that need a fleet of vehicles to get the job done. Here the perennial "rather buy a second-hand vehicle than a new Chinese one" option is out of the question as it's difficult to argue with an asking price of R176 500 for a brand new double-cab bakkie. -Aircon -Power steering -Electric windows and mirrors -Leather upholstery -Remote central locking -Towbar Don't delay, call emmanuel NOW on 0635949088 to avoid disappointment. Finance options available, and trade ins accepted.
